### **IONTO-COMED wins coveted Wellness & Spa Innovation Award**

**Karlsruhe, 17.09.2021: IONTO-COMED received another award for the GlowSolution in June 2021. With the device innovation, the brand won the Wellness & Spa Innovation Award in the category 'Spa Tech & Equipment' and prevailed against other competitors.**

The German Wellness Association is one of the leading organizations in the European wellness industry. To honor the best in this field, the association organizes the Wellness & Spa Innovation Award every year. In this award, the innovative spirit of the wellness and spa industry is honored in five categories. Applications for the award are open to all individuals, organizations and companies around the world that offer a pioneering innovation.

IONTO-COMED took the opportunity to apply and nominated the GlowSolution. This innovative treatment method comprises four treatment steps in one device and creates instantly plumper, radiant skin - free of unwanted side effects and downtime. The jury of the Wellness & Spa Innovation Award was particularly impressed by the progress that IONTO-COMED has created with the GlowSolution and the optimal dosage of the active ingredient liquids in the individual treatment steps.

"We are very pleased that our device innovation GlowSolution has won the coveted Wellness & Spa Innovation Award in the category 'Spa Tech & Equipment'. This award encourages us to continuously develop and advance the wellness and beauty industry with new innovative products." - Julian La Fontaine, Managing Director IONTO Health & Beauty GmbH.
