IONTO-COMED presents new unique cosmetic couch

Karlsruhe 09.04.2021: IONTO-COMED presented in the middle of the year 2020 the new cosmetic couch IONTO-DYNAMOVE C1. The special feature of this new couch is that it allows maximum comfort and treatment ergonomics in the smallest possible space. It represents a cosmetic couch built with the aim of being adaptable and flexible in any given situation.

The range of application of the IONTO-DYNAMOVE C1 is wide in comparison to other cosmetic couches. The flexibility of the cosmetic couch offers the possibility to adjust the customer into the right position for their respective treatment and is therefore not only applicable for cosmetic treatments. Due to its special stability, the couch is equally suitable for massages and other wellness treatments. With its adjustable headrest, the IONTO-DYNAMOVE C1 can accommodate any body size and offers a comfortable lying position during treatment to anyone. The headrest is removable and can be easily replaced with a massage headrest with breathing hole.

The special flexibility and stability is made possible by the core of the IONTO-DYNAMOVE C1 - the newly developed lifting column. It can be adjusted vertically in height without lateral offset and is therefore also suitable for small rooms. This flexible adjustment of the lifting column offers countless possibilities for adaptation. Due to the slim base and the shaped back covering as well as the upholstery, beauticians are able to treat their customers with sufficient knee room. In addition, the IONTO-DYNAMOVE C1 impresses with a new, timelessly aesthetic design including a new range of attractive colours. Other positive features of the cosmetic couch include comfortable entry and exit, robust and easy-care upholstery, and a removable, 180° folding armrest.

"The IONTO-DYNAMOVE C1 is very suitable for beauticians who do not have the largest treatment room, but still want to give clients a feeling of relaxation and comfort during the treatment. We are also very pleased that the IONTO-DYNAMOVE C1 won the 2nd place in the category "cabin equipment" at last year's BEAUTY FORUM Stars Award." - Julian La Fontaine, Managing Director IONTO Health & Beauty GmbH.

About IONTO Health & Beauty GmbH

IONTO Health & Beauty GmbH combines the strong brands IONTO-COMED, SÜDA and CARE MORE and offers a wide range of innovative and practical products for wellness, cosmetics and foot care & podiatry - from devices and treatment chairs and tables to consumables and complete cabin equipment.

IONTO-COMED

As one of the leading suppliers in the field of apparatus cosmetics, IONTO-COMED develops and produces the equipment with which cosmeticians can effectively and sustainably help their customers to achieve more beauty, relaxation and well-being.

SÜDA

As a pioneer of modern foot care, SÜDA has been manufacturing highly functional equipment for foot care and podiatry for 90 years. With an exceptionally broad spectrum - from dry and wet technology to compressed air technology and combination systems to pneumatic units as well as highly functional equipment variants - SÜDA offers the right solution for every requirement.

CARE MORE

With around 3,000 articles from the fields of cosmetics, foot care, wellness and nails, CARE MORE as a full-range supplier provides cosmeticians professionally and reliably with everything they need for their daily work in the institute and practice. In addition to a large selection of well-known brand products, CARE MORE offers a variety of interesting private labels - quality products with an excellent price/performance ratio.
